

Agenda Items that Die at Committee Level (Procedures to Address)

Adopted by the Common Council August 22, 2006

All items referred to a "Standing Committee", for which the Council has ultimate authority, will be reported out to the Common Council with a recommendation for approval, denial or no recommendation. Committee chairs shall report action taken on all agenda items. Committee chairs shall also provide a status report to the Council regarding all items that have reoccurred on a standing committee agenda for a period of three months with no final action taken or recommendation made to Council, except for union negotiations and other confidential items. Union negotiations and other confidential items will be referred whenever/however deemed appropriate by the Committee and/or Staff.
